RE: West Spray Field Proposed Exchange for Property in Section 15

Dear Terry:

Enclosed is a copy of a preliminary memorandum of understanding (M.O.U.) and a time table for the West Spray Field Exchange.

This M.O.U. has been reviewed with Steve Schiesswohl. He feels it is a good starting point for an agreement in principal. Perry S. McKay, who is out of town, has not seen a copy of this agreement. however, I have sent a copy to his attorney, Ms. Siri Olsen.

Steve and I have planned to meet again on October 27, 1992 at 7:30 a.m. I would appreciate your input and ideas by then.

Yours very truly,
